

POWER of the Post-Secondary Partnership in Early College Programs

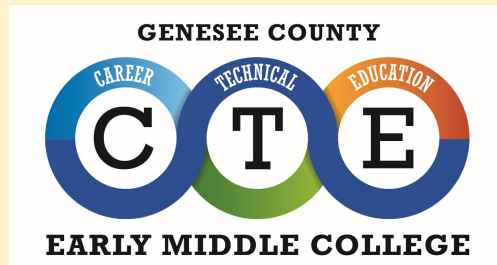

Focus of the Presentation

- Partnership is key for Early College success
 - Share what is working and how/why
 - Encourage opportunities for post-secondary partners to enhance support for Early College Programs
-
-

About Us

- Dolores Sharpe
 - Executive Director Academic Operations and Dual Enrollment, Mott Community College
- Jennifer Thomas
 - Coordinator, Genesee County Career & Technical Education Early Middle College
 - Enrolling our 6th Cohort
- Andrea Tomczak
 - Davison Early College Coordinator
 - Enrolling our 8th cohort
 - Partner in the Genesee County CTE/EMC Program
- Nicole Lord - Flushing High School - Early College Director
 - Flushing Raider Early College
 - Enrolling our 5th Cohort
 - Partner in the Genesee County CTE/EMC Program

MOTT COMMUNITY
COLLEGE

- Early College partnerships with 14 School districts in 3 counties plus an EMC located on our campus
- Liaison role as one to support District Counselors and MCC departments
 - Many do not have a dedicated position and are responsible for hundreds of students
 - MCC departments are the best resource for students and serves to introduce students to college processes and resources
 - Need for systems and processes based on needs of each school

Systems & Supports

- One Main Contact/Support at MCC
- Dedicated Cohort Classes on District Campus
 - Liaison assists districts in planning classes and enrolling students
 - Benefit for students and districts
- Student Data Systems - Backpack, Compass, Dual Enrollment App, Canvas Resources
 - More Information to come!
- Best Practice of Meetings with Students/Parents
 - Cohort Meetings, Seminar Meetings, P/T Conference Meetings each Semester

MCC's Involvement and Assistance

- Assist in Early College Promotional/Informational Meetings and Orientation
 - From a College Perspective - Transitioning Students for College Success
 - Student/Parent Orientation
 - MCC Support Staff Involvement
 - Registration Meetings
 - Workshops

Early College Partner Meetings

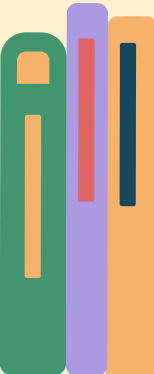

- Collaborative Opportunity to Meet and Work with Other Directors
- Provide Updates on Early College Partner Information
- Discuss Early College Best Practices
- Discuss Needs and Determine Opportunities
- Canvas shell dedicated to storing key information and resource documents (for faculty as well)

College Advising

Role of College Advisor

- Evolution from Individual to Group Advising
 - Group Advising
 - Program of Study
 - Google Form
 - Teach systems to all students
 - Individual Appointments
 - Degree Audit
 - Transfer Students
- 

Role of EMC

- Access to MCC4Me
 - Able to see and approve courses
 - Able to track who approves courses
 - Able to track progress toward degree completion
- 

Access for High School Coordinators

MCC Dual Enrollment App

Dual Enrollment Term Reports

- Student List
- Course Activity
- Absent Report
- Testing Scores
- Course Plans by Term

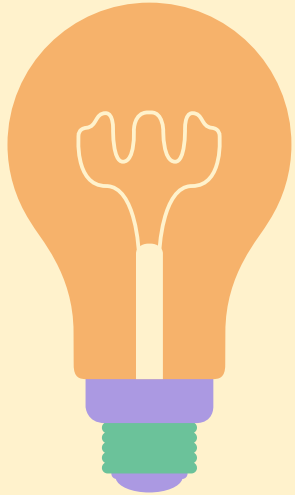

Early College Usage:

- Upload Student Groups
- Verify Enrollment/Registration
- Review MCC Attendance
- Review Mid-Term and Semester Grades
- Ability to Edit, Filter, Sort, etc. - User Friendly Data Pull

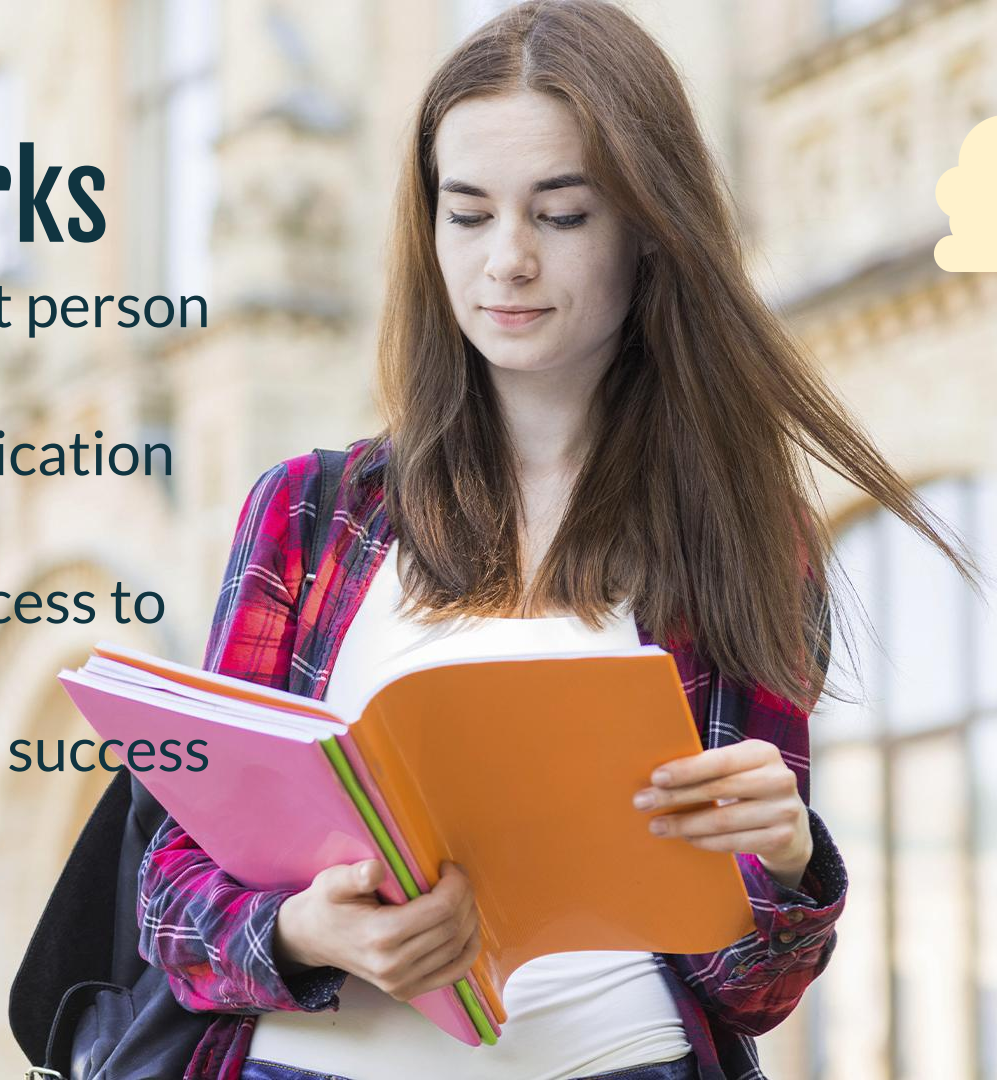

Next Steps

- Continuing Collaboration to Enhance Early College Program Success
 - Continued development of the Advising process
 - Connecting students to program coordinators
 - Developing outreach programming to help support the District in eligibility education for students and parents
- Supporting Efforts with Data
 - College Readiness programming earlier

Why this works

- One main contact person at the college
- Regular communication and feedback
- EMC staff has access to college systems
- Focus on student success
 - Flexibility
